- SPRIGG.** *adj.* [from *spring*.] Full of small branches.
SPRIGHT. *n. s.* [Contraction of *spirit*, *spiritus*, Latin: it was
anciently written *spete* or *sprete*; and *spirit*, as now written,
was long considered in verse as a monosyllable: this word
should therefore be spelled *spire*, and its derivatives *spirely*,
spireful; but custom has determined otherwise.]
1. Spirit; shade; soul; incorporeal agent.
She doth display
The gate with pearls and rubies richly dight,
Through which her words to wife do make their way.
To bear the message of her *spire*. *Spenser.*
- Forth he called out of deep darkness dread,
Legions of *spire*, the which like little flies,
Fluttering about his ever darning head,
Await whereto their service he applies.
While with heav'nly charity the spoke,
A streaming blaze the silent shadows broke;
The birds obscene to forests wing'd their flight,
And gaping graves received the guilty *spire*.
Of these am I who thy protection claim,
A watchful *spire*. *Dryden.*

SPR

2. Walking spirit; apparition.
The ideas of goblins and *spights* have no more to do with
darkness than light; yet let but a foolish maid inculcate these
often on the mind of a child, possibly he shall never be able to
separate them again. *Locke.*
3. Power which gives cheerfulness or courage.
O chastity, the chief of heav'nly lights,
Which mak'st us most immortal shape to wear,
